

Cubs can Crush it, Mush it, & Burn it!

9AM-11AM: 03-25-2023 09:00 AM

1PM-3PM: 03-25-2023 01:00 PM

Hurst Service Center

850 Cannon Dr
P O Box 54190
Hurst, TX 76054

Description

The Longhorn Council STEM Committee presents "Cubs Can!" A half day (2 hour) STEM Experience at the LHC Service Center.

Saturday, March 25th. 2 sessions: 9AM-11AM, or 1PM-3PM

Join us for some good ole-fashSTEM fun!

Cubs will use the Scientific Method/Process to investigate questions and find out how science affects everyday life.

Cubs will Crush cereals to extract iron.

Cubs will Mush ice cream in a bag.

Cubs will Burn food to measure calories.

This class will satisfy STEM NOVA Science Everywhere requirements 3 B or C, & 5.
